*****Please include all required information as listed below on each order. If required information is not provided or information given is incorrect, additional fees may apply without notice to complete your order.**

-All orders must be in writing on our order form provided.

-Orders received after 3pm central time may not be processed until the following business day.

-TAT are based on business days

-If subject is deceased a \$50.00 fee will be applied to perform search and it MUST be indicated on order that subject is deceased (Subject must NOT be deceased longer than 2 months or automatic no hit fee will be charged). If within 2 months of DOD and a closed account and closure date of account is located, that is considered a full hit.

-Disputes must be sent to us within 90 days of invoice date with authoritative documentation or no refund will be given.

****RUSH ORDERS- If a rush is requested on an order, an additional charge of 30% of total hit rate will be applied to order regardless of results. The order will then be immediately worked on by the assigned researcher, however, due to complexities/size/day/time turned in, it may not be completed the same day.
